

# Create Node-RED Service

Team ID	PNT2022TMID45113
Project Name	GAS LEAKAGE MONITORING AND ALERTING SYSTEM FOR INDUSTRIES

The screenshot displays the IBM Cloud Catalog web interface. At the top, a navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (R Eswari's Account). Below the navigation bar, a large banner area features the word "Catalog" and a search input field. To the right of the banner is an isometric illustration of a server rack and various cloud service icons. Below the banner, a section titled "Category" shows a list of product categories: Recommended products (6), Compute (30), Containers (9), Networking (30), Storage (20), and AI / Machine Learning (17). To the right of this list, a "Viewing 206 products" status is shown, along with a sorting dropdown set to "Alphabetically" and a view toggle switch. The main content area displays three product cards: "Analytics Engine" by IBM, "AnonTech ViziVault Platform" by Anon Technology, Inc., and "API Connect" by IBM. Each card includes a brief description of the service. The bottom of the screenshot shows a Windows taskbar with various application icons and a system clock indicating 3:40 PM on ENG.

A screenshot of the IBM Cloud account page for a resource named 'GAS LEAK'. The page is viewed in a web browser with multiple tabs open. The left sidebar shows the account navigation menu with options like 'Account', 'Account resources', 'Resource groups', 'Cloud Foundry orgs', 'Licenses and entitlements', 'Tags', 'Dashboards', 'Account settings', 'IBM Cloud Shell settings', 'Notification distribution list', 'Classic Infrastructure', 'Subscriptions', 'Audit log', and 'Company information'. The main content area shows the 'GAS LEAK' resource with tabs for 'Spaces', 'Users', 'Domains', and 'Info'. The 'Spaces' tab is active, displaying a table with columns: Name, Region, ID, Manager, Date Created, and Actions. The table is currently empty. An 'Add a space' button is visible in the top right of the table area. The browser's address bar shows the URL: 'cloud.ibm.com/account/cloud-foundry/GAS%20LEAK?accountId=ece78c3fe2a14cdbaa35fd6f397bbd7b'.
